### 01. Form 990 governing body review (Part VI, line 11)

The Form 990 is completed by the outside accountants with the involvement of the Executive

Director and the accountant. After the draft is reviewed by the Executive Director and

accountant, it is presented to and reviewed

by the Finance Committee of the Board, which can approve the Form on behalf of the Board,

or require further adjustments to the Form before formally accepting the Form for

submission to the IRS. Before filing, a copy of the 990 is reviewed by the entire Board of

Directors.

### 02. Conflict of interest policy compliance (Part VI, line 12c)

All Board members and key employees are asked to review and sign a copy of FONA's conflict

of interest policy annually.

If a potential or actual conflict of interest arises, any conflicted individual is

provided an opportunity to disclose all material facts to the Executive Committee or

governance body assigned with investigating the conflict. The individual does not

participate in the resulting decision-making deliberations.

After receiving information about an actual or potential conflict of interest, the

Executive Committee or other assigned governance body has their responsibility to exercise

due diligence to determine whether FONA can obtain, with reasonable efforts, a more

advantageous transaction or arrangement from a person or entity that would not give rise

to a conflict of interest. If not, the Executive Committee or governance body determines

by a majority vote whether any related transaction or arrangement is in FONA's best

interest, for its own benefit, and whether it is fair and reasonable.

Washington Youth Garden: The Washington Youth Garden serves as the hub for FONA's youth and school outreach programs, targeting Title 1 schools in Wards 5, 7, and 8 of Washington, DC. The mission of our youth programs is to nurture curious minds and healthy bodies by connecting youth to food, the land, and each other. The WYG uniquely combines efficient food production, produce distribution, a welcoming visitor experience focused on children, youth education programs, teacher professional development, and support for school gardens at Title 1 schools. We intentionally orient our education programs and produce distribution to Black, low-income children and youth because of the documented disparities in access to and consumption of fruits and vegetables in the DC region, the location of the garden, and the historic purpose for the space. Over 156 different crops are grown at the WYG. In 2023, we grew and distributed over 8,000 pounds of produce to school families and hunger relief organizations. Name(s) as shown on return

Projects and activities: FONA holds numerous temporary and permanently restricted funds given for various purposes to benefit the U.S. National Arboretum. Every year, in consultation with the Arboretum leadership and staff, FONA releases funds from these restricted assets or general operating funds to the Arboretum to achieve a designated purpose. FONA then works with the Arboretum staff, often over a multi-year period, to ensure that the donor's objective for each project or activity is fulfilled in a timely and cost-effective manner. For example, in recent years, FONA has collaborated with the Arboretum on the following projects and activities: -Updating the Arboretum's Master Plan and identifying follow-on campaigns and related activities. -Cleanup and restoration as well as ongoing monitoring of Springhouse Run along with monitoring of Hickey Run, two crucial watercourses that traverse the Arboretum, emptying into the Anacostia River and ultimately into the Chesapeake Bay. -Completion of the Flowering Tree Walk, a universal access walkway providing magnificent views of the Arboretum's great meadow and Capitol Columns. - Preservation and maintenance of the Arboretum's heritage collections, which include the azalea, boxwood, and associated collections; and for general support of all the Arboretum gardens and collections, including funding for interpretive signage. -Funding support for many internships, including: those working in the azalea, boxwood, Asia valley, introduction garden, and other heritage collections and on research. -Luncheon and plant sales as well as promotional support for the annual Lahr Native Plant Symposium. -Curator's wish list, to raise funds and procure plant material specifically selected by the curators of the Arboretum's collections. Evaluating opportunities to support repair of the Capitol Columns and fund their care in perpetuity.

Membership and outreach: FONA runs an active outreach program designed to broaden and expand the visibility of, and to provide public support for, the Arboretum locally, nationally, and internationally, as well as to increase the Arboretum's visitor base. For example, FONA hosts numerous public programs such as forest bathing, yoga classes, family programs, and community events. FONA also partners with other Arboretum stakeholders, interest groups, and community organizations for the betterment of the Arboretum. FONA staff and board members continually reach out to the media, government officials, community leaders, and industry associations, and maintain ongoing relationships with these and other key decision-makers and influential organizations and citizens. FONA also maintains an active public presence via its website and through social media such as Facebook and Instagram. In addition, FONA runs a membership program to recruit and serve 1,000+ members and supporters each year with member events and activities, volunteer opportunities, a quarterly printed newsletter and weekly enewsletter with updates on Arboretum News, and other member benefits.
